

Announcement of NDA grants for Baltic residents to attend the 34th Nordic Congress of Dermatology and Venereology

Dear members of the BADV,

The Nordic Dermatology Association is happy to announce that we are offering five residents from the Baltic countries the chance to receive a travel grant with a value of 7,000 SEK to be used to attend the 34th Nordic Congress of Dermatology and Venereology which will take place on May 8-10, 2019 in Gothenburg, Sweden.

Applications including proof that the applicant is a resident in Dermatology and Venereology in Estonia, Latvia or Lithuania should be sent to the NDA's Secretary General John Paoli via email: john.paoli@vregion.se. The grants will be awarded according to a first-come, first-served basis. Grant money will be paid directly to the recipients after they have completed their registration to the congress on our website: www.nordicderm2019.com.

We look forward to receiving your applications and to seeing many of the BADV members in Gothenburg next year!

Best regards,

Gregor Jemec
President
